

Community Learning & Literacy Center

Spring, 2007, Volume 1

Welcome

Welcome to our premiere issue of the CLLC Newsletter! As we begin this spring, 2007, we are sorry to report that Dr. Barbara Clark has taken a medical leave and has resigned as Director of the CLLC. We thank her for her leadership, commitment and incredibly hard work in the foundational efforts for the establishment of the Community Learning and Literacy Center which became reality in late August, 2006 and we wish her a speedy recovery!! On another note, we are pleased to announce that we will be housed at the Irvine campus through next year and are moving forward with our goals which were developed by our prestigious community advisory board. Watch for more issues of our CLLC Newsletter during this spring. Best wishes for a semester filled with the fun of literacy and the adventure of learning!

Community Literacy Festival

The CLLC recently received a CSUF 50th Anniversary Golden Idea Award with only 22 projects receiving funding from the 116 proposals submitted. The \$15,000 grant is for a Community Literacy Festival to be held on a Saturday during spring, 2008, at the Irvine campus as part of the year-long 50th anniversary events for CSUF. This goal of this project is to celebrate family literacy and highlight authors representing cultural diversity in Orange County (Korean, Persian, Chinese, Spanish, etc.) as well as the Weekly Reader. This event will also include publishers/vendors, workshops for parents and children of all ages on literacy and learning, book signing, raffles, etc. The CLLC Advisory Board will assist in the overall design and development of this exciting day!
